Girl Handbook Supplement:

- What is in the Girl Handbook Supplement?
 - The Girl Handbook Supplement includes the revised flag ceremony, 12 new Badges, and 8 new Sports Pins. Please note that the wording of the AHG Creed on page 7 may be misprinted in some copies. The correct wording is - "As an American Heritage Girl, I promise to be: Compassionate, Helpful, Honest, Loyal, Perseverant, Pure, Resourceful, Respectful, Responsible, and Reverent."
- Is the Supplement required?
 - No one is required to purchase or download the Girl Handbook Supplement. The Badges and Pins in the Supplement are additions to enrich the AHG Program. The Girl Handbook Supplement may be purchased from the AHG Attic or downloaded for free from AHGsource.
- Where do I access the free download?
 - The download is accessible to registered Adult Members at www.ahgconnect.org/source > Program Emphases Resources>Badge Helps, then click on the link to the 2015 Girl Handbook Supplement. The entire supplement will download to your computer. Only registered Adult Members may access the Supplement. Leaders and registered Adults should provide girls who are interested in the new Badges and Pins with a printed copy of the Supplement.
- Does each girl need a copy of the Girl Handbook Supplement?
 - As with the larger Girl Handbook, the Supplement is not required to earn a Badge or Sports Pin, but it should be made available to those who are interested in having a purchased copy or print-out.

 - No. The Supplement should be accessed only by registered Adult members via AHGsource (www.ahgconnect.org/source).
